Steve/Brad,

I need to acquire a copy of MS
Visio by tomorrow as our EPA
client needs us to make updates
to their ORG Charts as soon as
first thing in the morning.

Please let me know if we have a
copy somewhere or what I need
to do to fast track a license and
purchase. I thought we had a
copy on the Distribution drive, but
I can't access it. Ideally, I need to
install a copy tonight or first thing
in the morning.

Sorry for the short notice.

Thanks,
